

# Embroidery Patch

---

# Material Options

---

**A complimentary thread and fabric color chart is included with your first order.**

## Thread Options

- **Rayon Thread**

*Soft, smooth, with a silk-like sheen.*

- **Polyester Thread**

*Colorfast, durable, bleach resistant, and highly resistant to wear.*

- **Metallic Thread**

*Available in gold and silver metallic.*

- **Luminous Thread**

*Glow in the dark after exposure to sunlight or UV light.*

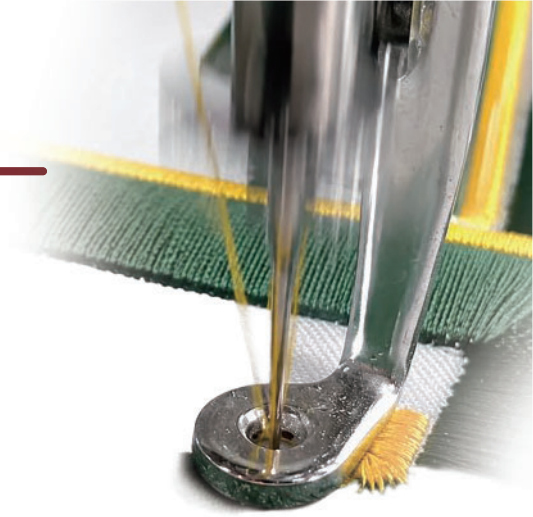

- **Neon Thread**

*Bright fluorescent colors.*

## Fabric Options

**Twill is our standard fabric. Felt, velvet, satin, and other fabrics are available upon request.**

# Finishing Options

## Border Options

- **Merrowed Border**

*Best for simple shapes.*

- **Laser Cut Border**

*Best for complex shapes and small patches. Leaves a narrow fabric edge.*

- **Hand Cut Border**

*Slight fraying may occur over time.*

## Backing Options

- **Heat seal Backing**

*Apply with an iron or heat press.  
Not suitable for nylon, wool, leather, or  
water-resistant fabrics.*

- **Paper Lining**

*Covers thread ends for a cleaner finish.  
Available in black or white.*

- **Plastic Backing**

*A non-adhesive backing that adds stiffness to  
the patch.*

- **No Backing**

*Thread ends are visible.*

- **Self-adhesive Backing**

*Reusable adhesive. Not washable.  
Can also be heat applied, but is less durable  
than heat seal backing.*

- **Velcro**

*Available with hook only or hook & loop.  
Black is the standard color. Other colors are  
available upon request.*
